By Peter Cowal

## The fairytale Showdown

Once upon a time....no, that's NO way to start a story. Let's do something like....GODZILLA. Near Troll's Bypass, a giant was taking a walk. On mistake, he stepped on the Troll's bridge. The Troll said, "WHO'S THAT FLATTENING MY BRIDGE???" Oh, IT'S YOU, THE GUY JACK TRICKED."

Then the Giant said, "FEE, FY, FO FUN, HOW DARE YOU INSULT ME. I'LL EAT YOU, YUM!!!"

Now, it happened that someone BIG, BAD and likes to eat pigs came along. You guessed it! The Big Bad Wolf!! He said, "What's going on? Tell me."

"NO!!"

"YES!!"

"NO!!"

"YES!!"

"NO!!"

"Then I'll huff and I'll puff and I'll blow your bridge UP!!" (He had some dynamite.)

"Ooooooh, blackmail!!!!"

Suddenly, a dragon appeared, finding someone to practice battling on. He was getting ready to challenge St. George. Somebody had followed him. Guess who.....

BATMAN!!! (just kidding.) It was the evil fairy who tried to kill Sleeping Beauty, trying to zzzzap the dragon with death spells! The dragon had very mirror-like tail spikes, so when the fairy zapped them, it rebounded at her. The fairy dodged, causing it to sizzle up a tree.

The sizzling lit the Big bad Wolf's dynamite and blew up everybody.

The End

## The Tortoise and the Hare

A tortoise was walking along. Suddenly, a hare jumped over him, calling him a slowpoke. The tortoise got mad and challenged the hare to a race.

Well, the hare won the race and the tortoise realized that he really was a slowpoke.

Moral: Don't overestimate yourself.

## The Three Little Pigs

Sorry, the Big Bad Wolf blew up himself, so his second cousin, Big Brad will play the part. "But I'm big, but not bad!! Wseeeeeeeze!"

"No!"

"I'll have to improvise, I guess."

Once upon a time, there were 3 little pigs who had a perfectly fine life, and didn't worry about being pork chops. The End.

"That was terrible! Don't say it's my fault that I couldn't play the part, I'm.....because I'm big, not bad!"

"Brad, what am I going to do with the next two pages!?"

"I don't know!"

"Well, I've gotta think of something."

"Whatever you do don't make me do anything because I....."

"I am the ghoooooost of Big Baaaaad! I have coooooome to haaaaaunt this boooooook!"

"Run!!!!"

"Great! Now I can put on the The Three Little Pigs and the Ghost of Big Bad!"

## The fox and the Crow

A fox was walking along, looking for something to eat. He soon spotted a crow eating cheese. The fox said, "Crow, won't you sing a song for me?"

Now, Crow started singing and out dropped some partially digested cheese (foxes like that).

Moral: Don't talk with your mouth full.

## Jack and the Beanstalk

Once upon a time, there was a boy named Jack. He was very poor. To eat, he had to trade his cow for food. He accidentally traded her for some magic beans, then planted them. They grew into a GIANTIC beanstalk.

After 3 hours, he stepped onto a cloud. A magnificent castle, more "Wait, Jack! Clouds are made out of water droplets!"

Jack and the castle fell down, and I got a good grade in Biology.

The End

### Epilogue:

Gotta run. The ghost of Big Bad is chasing me.
