

Little Sister

Many years ago, I asked God
to hold my hand
on a sacred journey,
And He sent you into my world

Joy
with a human face.

I walked ahead, smiling.
During those years, you have been
a constant source of light
in my life and spirit,
A perennially vibrant blossom
of love and courage.

Your laughter and tears
have filled my heart
to the point of bursting.
Only to be contained
by writing these words
for you,
my little sister.

Birthday Blessings, with love,

Jan
